On Your Mark! Huskers Set for Melee

State champion corn huskers from throughout the Midwest will gather at Lawrence, Kansas, Saturday for the national contest which annually draws up to 100,000 fans who would sooner stalk through a corn field than watch a football game. Ted Balko of Redwood Falls, Minnesota, 1938 champion, will not defend his title this year. Photo shows crowds and huskers awaiting the starting gun at last year's contest.

Railways for Skiers

In no place in the world are there so many skiing possibilities as in Switzerland, where mountain railways take care of the uphill grind. St. Moritz alone has four such railways.

Busy Bee

A honey bee goes about four miles on a trip and may take as many as 10 or 12 trips a day. A good hive of bees in a good location can produce a pound of honey in three-quarters of an hour, or about 20 to 22 pounds a day. It has been estimated by the department of agriculture experts that a pound of honey represents the life work of approximately 1,000 bees, a bee's working life averaging about three weeks. It takes about 20,000 "bee-loads" of nectar to weigh one pound. This will make about one-quarter of a pound of honey.

South City Nite At Lovchen Hall

Staging their big South City night, the Night Owls club of Colma and South San Francisco will hold another special dance this coming Saturday evening, which the public is invited to attend.

The Night Owls sponsor a dance the first and third Saturday of each month at Lovchen Gardens, Colma. Popular union music features smooth dance-time for these affairs; refreshments are available, and the decorations are in keeping with each occasion. The dances have attracted large crowds, who enjoy the gaiety and fun of the Night Owls' dances. Admission prices are nominal.

"We expect this dance to be one of the most successful held this year," one of the club officials said today. "Bring all your friends and have a good time with us Saturday night."

Indians Prepare Big Variety Show

A full two-hour program will be presented by Jefferson's sensational young swingsters, the Indians of Rhythm, under the direction of Dante P. Lembi, at the big Variety Show scheduled for 8:15 p. m. Friday, November 3, at the Grand avenue school auditorium in South San Francisco.

A benefit affair, the program will feature a large cash prize, in addition to a full evening of fast entertainment. The committee in charge includes J. H. Price, chairman; George McMills and Matthew Colliver.

The Indians of Rhythm have already proved their ability to swing their way into the hearts of an audience several times this year, notably at the Exposition, the Daly City theatre and Aquatic park. Several new singers and players have been added to the sophisticated Indians, and specialty numbers round out a program that has made Jefferson's name famous all up and down the Peninsula.

Employee Health

The air hygiene foundation is a non-profit, scientific organization with headquarters and a multiple fellowship at Mellon institute, Pittsburgh. It represents a collective effort by employers in behalf of employee health. The foundation, in addition to its fundamental research in industrial health, provides member companies with practical plant applications to prevent industrial illness and to foster industrial hygiene.

Lollypop Monopoly

Accusing six companies of acting in concert to monopolize 70 per cent of the trade, the justice department's anti-trust division broke up a "trust" in lollypop sticks by procuring a consent decree in a New York Federal court. Government figures showed that lollypop consumption creates a $5,000,000-a-year business in the wood sticks alone.

"There was an old woman
Who lived in a shoe;
She had so many children
She didn't know what to do."

That one is easy. Just send them to see "The Wizard of Oz" next week at the Daly City theatre. They'll love it.

* * *

"Little Boy Blue
Come blow your horn . . ."

And how he can blow that horn! We're talking about the Jefferson Indians of Rhythm of course, and that big variety show they're giving at South San Francisco tonight.

* * *

"The Queen of Hearts, she made some tarts
All on a summer's day . . ."

Can't fool us. She was not Queen of Hearts because of her prowess with the mixing bowl; she had been to the Daly City Beauty Shop for a special pre-holiday 75c shampoo, fingerwave and rinse.

* * *

"Tom, Tom, the piper's son
Stole a pig and away he run . . ."

The grammar is lamentable, and the whole affair very sad; but still, Tom's attitude is perfectly understandable if that pig was half as good as the pork they sell at Vista Grande Meat Market.

* * *

"Old King Cole was a merry old soul—
And he called for his fiddlers three . . ."

A gentleman of the old school, we're afraid. A modern 1940 Zenith radio from Byrne Radio Store will out-wear a hundred fiddlers.

* * *

"Jack and Jill went up the hill,
To fetch a pail of water . . ."

Yes, and they came to a bad end, you remember. If you're having difficulties, why don't you turn your old water heater over to A. M. Harrison for a $5 allowance on a new automatic heater?

* * *

"Old Mother Hubbard went
to her cupboard
To get her poor
Doggie a bone . . ."

There was really no excuse for that poor doggie's going hungry when Milo's Market sells such nice fresh hamburger at 10c a pound. And Mother Hubbard could have done wonders with that bare cupboard if she had lingered at Milo's this week—pancake flour, salad dressing, tomatoes, fresh fish, vegetable combinations—

* * *

"Little Bo Peep has
Lost her sheep
And doesn't know where
To find them . . ."

You have to say "sheep" to rhyme with "Peep," but all the best nursery books picture them as lambs. In which case, we seriously doubt whether they'll ever come home wagging their tails behind them, because Farmers Meat Company has rounded up all the tender young lamb in the country for their specials this week.

* * *

"You can sit on a cushion
And sew a fine seam;
And live upon strawberries,
Sugar and cream."

Listen, Romeo, strawberry season is almost over. But down at Westlake Market they have some luscious bright red cranberries that might interest us. Or solid pippin apples, or even creamy soup (at special prices, too!)

* * *

"Hey diddle diddle, the
Cat and the fiddle,
The cow jumped
Over the moon . . ."

That's all right. She was just one of those extra-special frisky cows which give such bubbling rich milk to the Mission Creamery.

ROSSI'S ELECTION ASSURED SAY HIS SUPPORTERS

"San Francisco has responded to the call for the retention of Mayor Angelo J. Rossi in a manner so decisive that his reelection by a substantial majority at the polls November 7 is assured."

This statement, reflecting confidence of the Rossi forces, was made this week by D. V. Nicholson, campaign director for the Mayor.

"Mayor Rossi's record stands as an open book before his fellow citizens," Nicholson said. "Efforts to cloud it with false and fantastic issues have failed miserably.

"There are but two issues before the voters in the mayorality contest—whether they desire to retain a Mayor who has been a conspicuous exponent of good government, progress and fairness to all, or whether they will accept a candidate vigorously supported by the alien, Harry Bridges and the Communist party.

Mayor Rossi's administration has been marked by efficiency and understanding that have won him a nationhal reputation as one of America's outstanding c i t y executives. He has met grave emergencies with a steady hand. He has constantly adhered to the policy that San Francisco must be kept on an even keel—that its economic problems must be met sanely and in fairness to all."

Nicholson drew attention to the city's many fine achievements with Maoyr Rossi, the latest of which, revival of the shipbuilding industry with contracts awarded to local shipyards, totaling $20,000,000 can be attributed directly to the Mayor.

"San Francisco has the highest percentage of gainfully employed of any American city—48 per cent," he said. "Our tax rate, $3.93 7/10 is the lowest of any major American city and 10.3 cents lower than last year's."

Scouts Sell Cookies For Summer Camp Benefit

Daly City Girl Scouts are celebrating "Cookie Week," November 4 to 11. Freshly-baked cookies with the girl-scout insignia on top will be on sale at the office of Mayor Paul G. Selmi, 37 Wellington, and will also be sold by the individual girl scouts.

The event is sponsored by the Daly City Girl Scout committee. Funds will be used for the benefit of the Girl Scouts' 1940 summer camp.

reason for dragging a Dollar into the poem, either, because 10c would have been good for 100 sheets (3 holes each). P. S. A smart scholar knows that Edwards is the place to get prescriptions filled.

* * *

"Mary, Mary, quite contrary,
How does your garden grow"
Just to perfection. You see, Mary bought all of her plants from the Daly City Nursery, where even "silver bells and cockleshells and pretty maids all in a row" get off to a good start early in life.

* * *

"Pussy cat, pussy cat
Where have you been . . ."
Our own humble guess is that pussy cat, like everyone else in town, slipped down to the Night Owls dance at Lovchen Gardens. In fact, we see by the gleam in her eye that she is planning to go again tomorrow night.

* * *

"The King was in the counting house
Counting out his money;
The Queen was in the parlor
Eating bread and honey."
Poor King. If the Queen hadn't been so extravagant, he wouldn't have had to count his money. The Daly City Cut Rate Market has wonderful specials this week on fruits and canned vegetables, which would have been better for her anyway. And sugar is selling 10 pounds for 54c there.

* * *

"Some like it hot
Some like it cold;
Some like it in the pot
Nine days old."
Personally, we like it cold, and that's what interests us about the new General Electric refrigerators at Charlie's Radio Service. (And if you like it nine days old, you can't afford to be without one!)

* * *

"Jack Sprat could eat no fat,
His wife could eat no lean;
And so between the two of them,
They licked the platter clean."
Bet it was turkey. Lucca Ravioli company has an in with the best turkeys in town. And we hope Mrs. Sprat stocked up on Del Monte canned goods in this week's sensational sale. Jack might also like one of the olive oil specials.

* * *

"What are little boys
Made of?
Pepper and nails and
Puppy-dog tails"
Or something. Anyway, what we started to say was that if you are looking for miscellaneous hardware, you'll be apt to find it at the new Rossi Hardware company, opening soon at 5750 Mission street.

* * *

"Humpty-Dumpty sat on a wall
Humpty-Dumpty had a
Great fall . . ."
If Humpty-Dumpty was as good as the eggs at Robertson's Egg Store, it's no wonder all the king's horses and all the king's men regretted his loss.

* * *

"Peter, Peter
Pumpkin Eater,
Had a wife
And couldn't keep her . . ."
Our guess is that Peter would have had more success if he had taken his wife to the Hilltop Lodge once in a while instead of putting her into a pumpkin shell.

HENRY HEIDELBERG
Chairman, Law and Legislative Committee, SAN FRANCISCO LABOR COUNCIL says:

"Speaking as a member of organized labor for the past 37 years, I deem this amendment EXTREMELY HARMFUL TO ORGANIZED LABOR.

"I do not believe this Amendment to be workable or feasible.

"I do not believe it to be for the best interest of the working people of California.

"I do not believe it will accomplish the avowed purpose of protecting the aged, but on the contrary think it will be highly detrimental to the payment of pensions and retirements enjoyed by our senior citizens.

"I believe it will lead to BANKRUPTCY OF THE STATE OF CALIFORNIA, ITS CITIES, DISTRICTS AND PUBLIC OWNERSHIP UTILITIES.

"Finally, would any MEMBER OF A LABOR ORGANIZATION be willing to take HIS ENTIRE SALARY in WARRANTS? IF HE IS NOT WILLING, HE SHOULD CERTAINLY VOTE AGAINST THE AMENDMENT!"

PARAMOUNT STARLETS REVUE TO APPEAR ON STAGE OF DALY CITY THEATRE SUNDAY

Famous Stars Appear in Person With Ten Acts

Twenty-two glamorous stars of screen and radio will appear here in person, Sunday, when the Daly City theatre presents the sparkling Paramount Starlets Revue, direct from Hollywood.

From start to finish the big ten-act revue is packed with song and dance—but out of a big cast comes one little girl who will steal into your heart, tiny Betty Hughes, featured performer of the internationally famous Hughes' quartet, and one of the juvenile stars of the Bing Crosby picture, "The Star Maker."

With her lilting songs, warm personality, twinkling eyes and twinkling feet she steals the show from the older boys and girls—from big sister Ruth, Bill Riley of the Zane Grey picture, "Wanderer of the Wasteland"—from the entire cast that includes 22 persons!

And from Rudy Valee's program comes another charmer—a dark haired opposite of the bubbling Betty—blues singer Mable Henderson, a tiny girl, but with a glorious voice!

These are only a few. There are adagio dances, instrumental selections, songs—and a whole scene torn from the picture "The Star Maker" and re-created by the entire cast.

The Paramount Starlets Revue is presented by Barry Breden, and handled on the stage by Roy Gordon, discoverer of Shirley Temple and Judy Garland, and will be seen at the matinee at 4:30 p. m. The evening presentation will be at 9:30 p. m.

On the screen will be "Lady of the Tropics" with glamourous Hedy Lamarr and Robert Taylor; also Pat O'Brien and Ann Sheridan in "Indianapolis Speedway."
